# Alcatel-Lucent OmniTouch 4125 Compact Conferencing Module

The Alcatel-Lucent OmniTouch 4125 Compact Conferencing Module adds high quality, easy-to-use audio conferencing capabilities to Alcatel-Lucent IP Touch 8 Series Phones and Alcatel-Lucent 9 Series Digital Phones.

With the OmniTouch 4125 Compact Conferencing Module, up to five local participants can collaborate with remote participants while enjoying crystal clear and natural sound. To help foster more creative exchanges, sound quality remains consistently high even as participants move around the room.

FEATURES & BENEFITS

- Plug and play audio conferencing
    - Easy to connect – plugs into headset jack on Alcatel-Lucent IP Touch 8 Series or 9 Series Digital Phones[1]
    - Easy to use - no configuration required
- Uses existing phone line
- Easy switching between hands-free capability on Alcatel-Lucent IP Touch 8 Series and 9 Series Digital Phones and the OmniTouch 4125 Compact Conferencing Module[2]
- OmniSound®[3] technology with full duplex, 360º ultra-sensitive microphone and three built-in surround speakers transmits crystal clear conference calls
- 15 levels of speaker volume and three levels of microphone input sensitivity

- Increases collaboration and enables creative exchanges with remote parties
- Enables spontaneous group brainstorming and problem-solving sessions
- Reduces travel and administration time and costs
- Leverages the installed base of Alcatel-Lucent fixed-line phones and advanced telephony features
- Enables high quality audio conferencing without additional phone lines

---

[1]   Headset port is available on Alcatel-Lucent 4029, 4039 Digital Phones and IP Touch 4028, 4028 EE, 4038, 4038 EE, 4068 and 4068 EE phones.

[2]   This capability is available on Alcatel-Lucent IP Touch 8 Series Phones Extended Edition and Alcatel-Lucent IP Touch 8 Series Phones with serial numbers "3GV26xxx xxJx" and Alcatel-Lucent 9 Series Digital Phones with serial numbers "3GV26xxx xxJx".

[3]   The OmniSound® technology and brand are owned by Konftel AB and any use of these by Alcatel-Lucent is under license.
